Kansas Board of Emergency Medical Services

Education Incentive Grant Program

The 2004 Legislature granted the Board funds to establish an education incentive program for emergency medical attendants for FY2005 for the purpose of implementing a grant program for emergency medical services training and educational assistance for persons in underserved areas: Provided, That when issuing such grants, first priority shall be given to ambulance services submitting applications seeking grants to pay the cost of recruiting volunteers and cost of the initial courses of training for attendants, instructor-coordinators and training officers: Provided further, That the second priority shall be given to ambulance services submitting applications seeking grants to pay the cost of continuing education for attendants, instructor-coordinators and training officers: And provided further, That the third priority shall be given to ambulance services submitting applications seeking grants to pay the cost of education for attendants, instructor-coordinators and training officers who are obtaining a post-secondary education degree.
