

# Renewing Support/Other Vehicles

Kansas Board of EMS Regulations require the reporting of non-ambulance Support and Other vehicles. This includes automobiles, motor cycles, ATVs, and UTVs (any vehicle with a VIN Number).

## The Application:

To find the application, log in to the kbems portal here:

<https://www.kemsis.org/lms/public/portal#/login>

Click on “Applications” in the panel on the right side of the screen:

Support/Other Vehicle Renewal - 1 of 2 Acknowledgement - 2 of 2

▼ Instructions

This application is for NEW SINGLE service ambulance licenses, including both Ground and Air Ambulances. It is to be completed when you wish to request a that additional vehicle/aircraft be added to your service.  
THIS APPLICATION CANNOT BE USED TO REMOVE OR MODIFY EXISTING AMBULANCES ATTACHED TO YOUR SERVICE.  
If you have any questions please contact our office for assistance.

▼ Service Information

\*Service Number: 99991

\*Name: KBEMS Test 1

▼ Support/Other Vehicle RENEWAL

First search for the vehicle in the VIN search. If the unit exists in the system, select it from the dropdown list. If it does not appear in the dropdown list OR is a NEW unit, click on the green plus sign to the right of the VIN prompt. When all fields are completed, click "Done". Continue this process until all of your new support vehicles have been entered into the application.

\*Action to take: Update record in the service

This is the action that will be taken within the service for the Vehicle you select below.

Enter the VIN number for the vehicle. Click on the vehicle VIN when it appears below the entry box:

This is the action that will be taken within the service for the Vehicle you select below.

\*Vehicle: snoopy1|

snoopy1 ←

Update all applicable fields. Select Location from the Drop Down Box. When all information fvehicle is entered, click “Save and Continue”
